LOST AND FOUND

If you have lost your pier or dock sections, please go to our facebook page, Rock River Home Owners Association, where you can post a photo of your lost or found dock. We have helped a few people locate theirs this way. Be sure to have your name and address on your dock sections if you haven't already to help identify them when so many are similar looking. You can also add some color to the sides if that would help also. Most docks are tied up after removal in the fall, but swift flood waters can break them loose, so being able to identify them is key. We've seen whole boat lifts get carried downstream for blocks during a flood and the only way to find them is to use a locator.
